

5 Steps To Write A Research Paper In A Weekend

- 1. Get everything in place.**
- 2. Write the paper from inside out.(This is the easiest section to write), (Move into results: Describing order your tables, figures and findings)**
- 3. Write the conclusion.(Recapitulate your findings, List your limitations, What are the implications: Future policy, policy, intervention)**
- 4. Write the Introduction.(Part-1: Why is it important?, Why should anyone care?, Part-2: What is missing?, Cite the existing studies. Part-3: What is the value? , What gaps are you filling?, What is the value added?)**
- 5. Don't be a perfectionist.**
